- **Old Business**

- Volunteering – We are always in need of members accepting duties required to keep the club running.
  - ✓ Greeters/Monitors – we need one Greeter and two Monitors for every workshop. Please do not take a “once and I’m done” attitude.
  - ✓ Training – all experienced members should consider spending some time helping others learn the ropes
  - ✓ Raffle – Assisting with the setup and running of the raffle can earn you an easy 1-hour volunteering time
  - ✓ Saw cleaning – a couple of hours volunteering time (and learn something new)
  - ✓ Wire Wrapping/Jewelry Making S.I.G. – there is always a need for members willing to teach a class.
  - ✓ TVGMS Artisan Show – last year almost 50 members put in time to make the show a great success

- **New Business**

- Treasurer – Bob Delvaux has been serving as our treasurer for the past several months, in Mary’s absence. He has offered to return as our treasurer on a full-time basis.  
Mary, thank you for your service to TVGMS.
- Training – The training program has progressed quite well. We have been able to match up great teachers with great students.
- Monitors and Greeters – Thanks to all who have given their time to the smooth function of our workshops. We need everyone to consider helping to maintain the workshop environment.
- TVGMS Website – Please take the time to visit our club website. Laurie has seen to it that the site continues to become bigger and better on a regular basis.
- Equipment Repairs - April 18, the following wheels were replaced on CabKing #3, 80, 180 and 360 grit. The new wheels were also broken in.
- April 25 - Cab king #2 wheels broken in. Water system cleaned and two nipples replaced. Placed back into service.

Cab King #3 600, 1200 and 3000 grit wheels replaced and broken in. Placed back into service.
